

HONOURING THE PAST, EMBRACING THE FUTURE

# Hughesdale HAPPENINGS

## Principal's Report

Dear community, welcome to term 3!!

**The school production:** was a resounding success, captivating the audience with its exceptional performances and creative set designs. The students showcased their talents with remarkable acting, singing, and dancing, leaving everyone in awe of their dedication and hard work. The audience was taken on a trip down memory, highlighting the fashion, dance moves, music and icons of the era, over the last 100 years. The enthusiasm was evident in every scene, making it a truly memorable event. I would like to thank Ms D'Monte for her wonderful vision and hard work and dedication in preparing our students for the performance. I would also like to thank Mr Kuchel and Ms Ryan for their help backstage on the night and during rehearsals, Gretel for all her sewing of costumes, all the staff and parents who sold 100 year merchandise and the staff for helping backstage and in the balcony. Overall, it was a fantastic experience for all who attended. DVD's sales of the Production will be available soon to purchase via trybooking, stay tuned!!

**Community coffee morning:** Wednesday 21st August 8.30am -10am. In conjunction with our Book Week Parade, parents and carers will be able to enjoy some 'company and coffee' before they watch their child/ren in the parade. It is a great way for our community to stay connected and also an opportunity for the school to acknowledge and thank our community for all its support through the year.

**School uniform:** we have noticed that many students are not wearing their school uniforms consistently. As a gentle reminder, please ensure that your child is in full school uniform each day. This includes the designated school polo / T-shirt, pants or skirt, and appropriate footwear. Consistent adherence to the dress code fosters a sense of community and pride among students. Thank you for your understanding and cooperation.

**Parent / Caregiver / Guardian Opinion Survey :** our school is conducting the annual Parent / Caregiver / Guardian Opinion Survey offered by the Department of Education and is seeking your feedback. The survey is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, and student engagement. The survey is optional, but we encourage and appreciate your participation.

## Assistant Principal's Report

AARON RICHARDS

### National Gymnastics Championships

Towards the end of Term 2, Paige H competed in a National Gymnastics competition in Caloundra, Qld. This was Paige's first time representing Victoria at the Nationals. Paige competed extremely well against the best gymnasts in Australia. To top this off, she finished 3rd on the beam in the Level 7 category. Congratulations, Paige! What an outstanding achievement to not only make the Victorian team, but to finish in the medals. Hughesdale Primary is very proud of you.

### School Counsellor

We are very fortunate to welcome Stella O'Leary as a member of our Allied Health Team for the remainder of the year. Stella will be working with us on Wednesday and Thursdays. Stella is in the process of completing her counselling degree at Monash University. Her skill sets will compliment our current team, composed of Hayley (occupational therapist), Shannon (speech therapist) and Emma (inclusion support). If you are interested in your child working with Stella, please reach out to me.

### Centenary Merchandise

To continue to celebrate our 100<sup>th</sup> anniversary, we are offering some merchandise to mark the occasion.

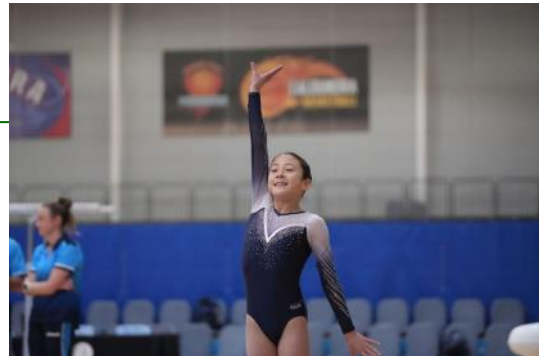

We are proud to offer the following products:

- HPS Tote Bag \$7
- HPS Centenary Glasses \$12
- Koala Teddy Bear \$20
- Metal Keyring \$5
- Plastic Keyring \$5
- Cloth Badge \$3

All purchases can be made at <https://www.trybooking.com/CSXZP>

All of the merchandise has now arrived and is available for purchase.

Thank you to the Centenary Committee for setting up a stall and selling the 100yr merchandise at the school production last night.

On Monday, our Girls Football Team competed at the Kingston Division Girls Football Gala Day. The team played four games against the champions schools from all the districts in the Kingston Division. The girls gave their personal best in all four of the games. We had a great win against Lloyd St and experiences some close loses against Aspendale, Bentleigh West and Patterson Lakes. Congratulations to the team for playing for representing the school with pride and playing some excellent football against the top schools in the division.

HANNAH SOUTHIN

## Packing Lunch

As the chilly winds sneak into our days, it's that time of year again – when lunchboxes need an extra layer of insulation! Please remember to pack a bit more warmth and sustenance in those boxes. After all, a well-fed student is a happy camper, and we all know that happy campers make for the best learners. Let's keep those tummies warm and those brains firing on all cylinders!

## School Performance

Last night's school performance was nothing short of spectacular! From the moment the curtains rose, it was clear that the students had poured their hearts and souls into their roles. I enjoyed seeing The Besen Centre packed with families and friends, all buzzing with anticipation and excitement.

The stage came alive with vibrant costumes and set designs that transported the audience into different periods of time.

One of the highlights was the amazing finale, where the entire cast came together for a grand performance. It was a perfect culmination of the hard work and dedication that had gone into preparing for the show.

The joy and pride on the students' faces as they took their final bows was a testament to their hard work and talent. It was clear that they had given their all, and it paid off in a performance that will be remembered for a long time. The night ended with a sense of camaraderie and celebration, reminding everyone of these young performers' incredible talent and potential.

## Thank you

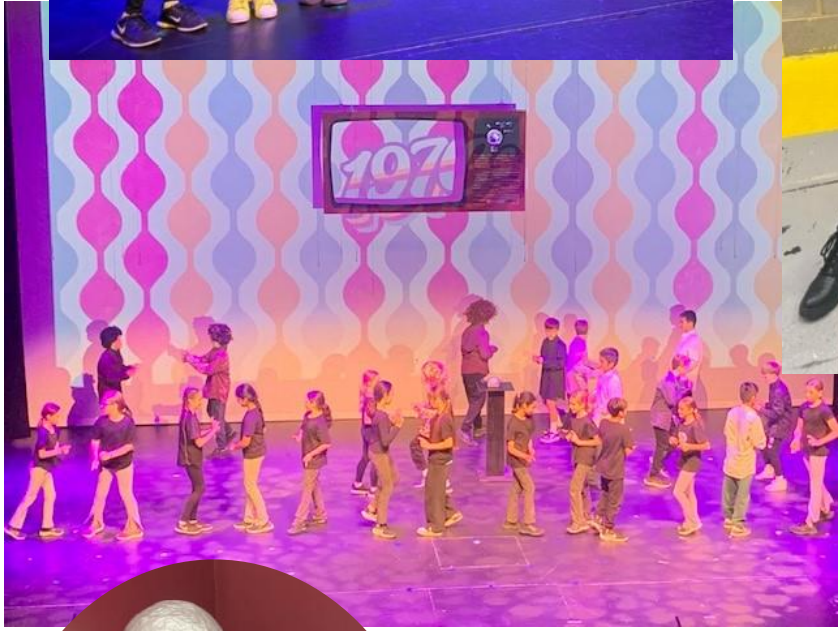

I want to express my sincere gratitude to our incredible staff and parents who helped ensure that the school performance was a truly memorable event.

Their dedication and hard work were crucial to making the event such a resounding success. From behind-the-scenes coordination to the countless hours spent preparing and managing every detail, your contributions were truly invaluable. The performance was a testament to your commitment and teamwork, and it was clear to everyone that the event ran smoothly because of your efforts.

The positive impact on our students was evident in their joyful faces and impressive performances. They truly shone, and that is in no small part due to the support and expertise you provided.

Thank you once again for everything. Your enthusiasm and dedication made all the difference and helped create a memorable experience for everyone involved.

## Resilience, Rights and Respectful Relationships

In Term 3, all students from Foundation to Level Six will continue the Resilience, Rights and Respectful Relationships Program. The teaching and support staff at Hughesdale PS have been busy undergoing professional development sessions which have built their capacity and confidence to administer the program effectively. One of the unique features of this program is that all students in the school explore the same topics at the same time, but each topic is taught in an age-appropriate manner specific to that year level and directly links to the Personal and Social Learning objectives outlined in the Victorian Curriculum. An outline for each of the three units we will explore this term is below:

### PROBLEM SOLVING

Problem-solving skills are an important part of the coping repertoire. The classroom program provides a number of learning activities to develop students' problem-solving skills. The activities in the program assist students to develop their critical and creative thinking skills, and to apply them to scenarios exploring personal, social and ethical dilemmas.

### HELP SEEKING

Learning activities in this topic area are designed to help students discuss the importance of seeking help and providing peer support when dealing with problems that are too big to solve alone. This helps to normalise and destigmatise help-seeking behaviour. Scenario-based activities help students identify situations in which help should be sought, identify trusted sources of help, and practice seeking help from peers and adults.

Further information about the resources teachers will be using and specific lessons that will be taught can be found at [Introduction Resilience, Rights and Respectful Relationships - FUSE - Department of Education & Training](#).

We are very much looking forward to another successful term exploring our Resilience, Rights and Respectful Relationships at Hughesdale Primary School.

OSHC.

## Celebrate Principal's Day in After School Care

2 August

Book now

Dear Parents and Families,

We have had a great start to Term 3! Children have enjoyed doing various craft activities and have also brainstormed together ideas on how we can acknowledge and share our gratitude towards our principals in celebrating National Principal's Day. The children have come up with amazing ideas such as making thankyou cards, making chocolates designing gratitude jars.

We also celebrating National Science week from **12-16 August** and will do various activities such as how do leaves breathe, paper towel colouring and corn flour slime. Please come up with your ideas to incorporate in the upcoming science themed program.

Looking forward to see you all having fun at your own OSHC

### Activities coming up

- Principal's Day card
- Paper Towel colour Mix
- Cooking Biscuits

### Make a booking

Join in the fun of Outside School Hours Care activities and experiences with Your OSHC and Rocketeers.
