Hughesdale HAPPENINGS

Principal's Report

Students Preparing for the 100th Production: as part of our centenary celebrations, our talented students are hard at work preparing for the highly anticipated 100th production, on July 25th at the Besen Centre. This milestone performance will showcase the incredible skills and creativity of our young performers, highlighting the community's dedication to fostering the arts. The production promises to be a memorable highlight of our centenary year, touching on the last 10 decades.

Continued Centenary Celebrations with the Gala Dinner Coming Up: our centenary celebrations are in full swing! We are excited to announce that the festivities will continue with a grand gala dinner. This special event will take place on 17th August at the Huntingdale Golf Club. Join us for an evening of delightful entertainment, delicious food, and a celebration of our community's rich history. Tickets will be on sale soon!

Developing Teacher Leadership: we are proud to share our focus on developing teacher leadership within our school. These programs aim to empower educators with the skills and opportunities to strengthen their leadership roles, enhancing their professional growth and improving the educational experience for our students. Through workshops, mentorship, and collaborative projects, our teachers are equipped to lead with confidence and innovation. Thank you to Natalie G, Megan L, Amy M, Sharon A, Ashley C, Kim B, Dave M, Dave C and Matt I for their involvement and time they have dedicated to this program.

Dangerous Double Parking on Brine Street: we want to bring to your attention a serious safety concern affecting our HPS community. Recently, there has been an increase in double parking on Brine Street. This practice not only obstructs the flow of traffic but also poses significant dangers to pedestrians, cyclists, and other drivers. Double parking creates blind spots that can lead to accidents and delays emergency response vehicles. We urge all parents and carers to refrain from double parking and to utilise designated parking areas. Your cooperation is essential to ensure the safety and smooth movement of everyone in our neighbourhood. Let's work together to keep Brine Street safe for all!

Curriculum Day Friday 7th June: students do not attend on this day. If you need to make arrangements, please contact Camp Australia 1300 105 343 or visit our website <https://www.hughesdaleps.vic.edu.au/afterschool-care> to book. Monday the 10th June is the King's Birthday public holiday. Four days of fun!!

Enjoy the weekend!

District/ Division Cross Country

On Thursday 16th of May, 50 Hughesdale students competed at the Moorabbin District Cross Country. Our students were greeted with another lovely sunny day at Karkarook Park. The team all gave their personal best in their respective races, with our older students showing resilience to complete the extra kilometre, compared to the House cross country. At the end of the day, Hughesdale finished the competition in 2nd place! This is a tremendous result, one that all of the students should be extremely proud of. This backs up our 2nd place at the District Swimming.

Like at the swimming, Ella R was the star of the day, winning the 11yr girls 3km race. It was an exciting race, with Ella moving into the lead in the home stretch. Lira H, Emerson M, Cora T, Silvie L, Jac T, Ada K, Amelia S, Jindi R, Paige H and Alex H also ran brilliant races to finish in the top 10. By finishing in the top 10, all of these students qualified for the Kingston Division Cross Country.

The Division Cross Country was run on Thursday 23rd May, once again at Karkarook Park. Our 10 students competed against the top runners from Moorabbin to Frankston, including some that compete at National level. Our students one again gave their absolute personal best and should all be extremely proud of how well they ran.

Smile Squad is coming to our school in Term 3

The Smile Squad team from Link Health and Community are coming to our school soon.

Smile Squad is the Victorian Government free school dental program.

This means all students can get a free dental check-up, preventive services, and treatment at school.

How to access free dental care

We need your consent before we can provide services. Consent is usually provided by a parent or guardian.

Sign up to Smile Squad at: <https://bit.ly/smilesquadvic>

OR use the below QR code:

Please complete and submit the consent form by 28/6/2024.

Paper copies of the consent form are available. Please contact the school office if you would like to request one.

The electronic consent form can be translated into more than 100 languages, and the paper form is available in 13 languages.

Smile Squad dental packs

All children deserve a healthy smile, and the Smile Squad free

school dental program is working hard to help make sure this happens.

Your child(ren) will soon receive a free dental pack to bring home. The dental pack contains a toothbrush, full sized toothpaste, and an oral health brochure. Please take the time to read the brochure. It's full of helpful hints and tips to help your whole family eat well, drink well and clean well – for life.

Standard strength toothpaste

Smile Squad provides standard strength fluoride toothpaste that is generally used by ages six and over, unless recommended by a dental or trained health professional.

If your child is under six, please talk to a dental or trained health professional to find out if your child might benefit from using this toothpaste. You can also choose to put the toothpaste away until they turn six or give it to someone else in your family to use.

Do I need to attend my child's appointment?

No, you do not need to attend your child's appointment. You can attend if you would like to, and you can take your child to the community dental clinic if you prefer.

The Link Health and Community Smile Squad team look forward to seeing you soon.

Head Lice Prevention

As we continue to prioritise the health and well-being of our students, we kindly remind you of the importance of keeping your child's hair tied up. This simple step plays a significant role in preventing the spread of lice within our school community.

Lice infestations can spread quickly, causing discomfort and inconvenience for students and families. By ensuring that your child's hair is neatly tied up, you not only minimise the risk of lice transmission but also contribute to a cleaner and healthier learning environment for everyone.

Youth Art for Reconciliation

Monash Reconciliation Group (MRG) is a local organisation fostering links between Indigenous and non-Indigenous communities. MRG aims to liaise with residents, government bodies, and organizations dedicated to reconciliation and social justice. Each year, MRG invites school students from City of Monash and surrounds to participate in "Youth Art for Reconciliation" Exhibition. This year's theme, "Treaty," highlights the ongoing dialogue and commitment to reconciliation.

Through artistic expression, the exhibition aims to promote understanding, solidarity, and meaningful conversations amongst the youth, about Indigenous rights and the path towards a more equitable society.

Hughesdale students read the storybook "Welcome to Country" by Aunty Joy Murphy and Lisa Kennedy. They were interested in the possum skin cloaks being worn in the illustrations. They also looked at traditional Wurundjeri carved line patterns.

Students painted their own designs inspired by the story.

Dear parents and caregivers,

The JAG representatives of HPS have organised a

Dress Up as a Parent or Caregiver Day

This special day is held on

Thursday 13th June, Week 9, Term 2

to raise money for Hughes News to buy better reporting equipment.

For \$6 students can have a sausage in bread and a juice box

Options for gluten free and vegetarian will be available.

Payments can be made on Compass so you don't have to worry about bringing in any money or a gold coin donation. We will not be accepting cash on the day.

Ideas include wearing what your parents or caregivers go to work in, what they wear on a daily basis or how they dressed as a teen or younger. If students don't feel comfortable for any reason they can wear a school uniform.

We hope your child/ children have fun dressing up like you!

By Sloane and Amala,
4A JAG representatives.

We will need a couple of helpers early from 9:30 am to begin cooking the sausages and will require more parent helpers from 11:00 am to help organise tables and serve sausages to students. Please contact Mr Carey Ashley.Carey@education.vic.gov.au

A Day with an Author

On Friday 17th May, 10 lucky Grade 3 and 4 students spent the day working closely on Zoom with Melbourne author, Anna Zobel. We started the day by discussing ideas and then had time to create a mystery story. We learned about sparkle sentences, descriptive words and had a drawing tutorial. At the end of the day, we asked Anna questions about what it is like to be an author and what her future plans are.

Here are some excerpts from stories the students wrote:

"Wahh" said Alice and James stunned. "So are you a ghost too?" gasped James. - Zachary

Drawn by Zachary

Jobama was searching for the missing people. Suddenly he felt the ground shake violently and he fell through an emerging crack. No one else noticed as the crack vanished after swallowing him. He ended up in a strange field knowing he was being watched. He felt the presence of the missing people. - Flynn

I rush straight out of bed and walk to the magical climbing tree. It's my favourite tree because it has big thick branches to hold me and lime green leaves. Did I mention that this tree is magical? It brings peace to everyone, even when my sister and I get in a fight. - Mila

Dear parents and Families,

Last two weeks have been a fun for all children as they enjoyed doing activities around the theme Friendship. In the yarning circle, children had conversation around the importance of having friends in our life and also discussed the qualities of a good friend.

This week, they loved doing craft around autumn season. Their most favourite activity was to do nature recycling.

Children also shared their feeling for our amazing educator Indira.Nilanthi as she is leaving and moving to another camp Australia service. Children such as Sam, Grover, Lachlan Collins, Odin, Scarlett silsbury made beautiful miss you card for her.

Next week the program is planned around the theme reconciliation to celebrate National Reconciliation week.

Activities coming up

- Native seed dreaming
- Acknowledgement of the country
- Hama beads flags
