## Intensive Swimming Program

Our intensive swimming program for our Level 3-6 students begins on Monday 17th June. All students will receive 9 x 40min lessons at GESAC. Learning to swim and to swim confidently is vital for all children, especially in a country like ours. Water fatalities are far too high in Australia, with inexperience in water the main cause of drowning. The five main reasons for schools to run a swimming program are:

- Lessons provide your kids with confidence, which is great for self-esteem
- Your child will learn about water safety in and around water
- Swimming is a great way to exercise
- Earlier development of physical skills including hand-eye coordination and muscle tone
- It forms part of the Health and Physical Education curriculum.

In the past we have sent out a form for parents to nominate their child's swimming level. GESAC now keeps each child's previous level on file and will use this to form the initial groupings. They will conduct thorough swimming assessments on the first two days of the program to ensure that all students are in the appropriate level, which will lead to changes in groups on the second and third days of the program. Our Foundation, Level 1 and Level 2 students intensive swimming program will take place in weeks 8 and 9 of Term 3 (2nd September -13th September)

## Tennis Star!

Two weeks ago, Lira finished an incredible 9 weeks of the Super 10th Tennis Tournament, which is run by Tennis Australia. 32 high performance tennis girls were selected from all over Victoria, aged 10 and under for this tournament. Lira was one of them. She received three personal awards during the tournaments and her team won the final, where she was the youngest player in the team. Congratulations on this wonderful achievement, Lira!

## Are you Interested in Protecting Endangered Animals?

### Fundraiser for World Wildlife Fund (WWF)

Dear Teachers, Parents and Students,

Our names are Jindi, Maddie and Frankie and we are in grade six. We are here to let you know that we are organising and putting forward a fundraiser for the WWF (World Wildlife Fund) to help endangered species around the world. If you were wondering, last year we raised and donated \$53 to this cause! This year we are aiming for \$70 and upwards.

We have been getting a lot of emails from the WWF saying that we should make another fundraiser. So this year we have upped our game by organising a stall that will be selling the following items:

- Bookmarks \$1 OR 3 for \$2
- Small stickers 50c OR 3 for \$1
- Big stickers \$1 OR 3 for \$2
- Badges \$2
- + any donations no matter how big or small to go towards helping save Javan rhinos, black rhinos, amur leopard, tigers, mountain gorillas, hawksbill turtles and so much more.

If an animal goes extinct you will always wonder why somebody did not do something.

This fundraiser will be taking place on the 21st of June (on a Friday after assembly) from 3:30 to 4:30. So if you are interested in buying anything make sure you bring a gold coin donation or cash.

Your sincerely,

Frankie, Maddie and Jindi  
P.S If you have any questions we are in 6B in the Tanner building.

## Smile Squad is coming to our school in Term 3

The Smile Squad team from Link Health and Community are coming to our school soon.

Smile Squad is the Victorian Government free school dental program.

This means all students can get a free dental check-up, preventive services, and treatment at school.

### How to access free dental care

We need your consent before we can provide services. Consent is usually provided by a parent or guardian.

Sign up to Smile Squad at: <https://bit.ly/smilesquadvic>

OR use the QR code: Please complete and submit the consent form by **28/6/2024**.

Paper copies of the consent form are available. Please contact the school office if you would like to request one.

The electronic consent form can be translated into more than 100 languages, and the paper form is available in 13 languages.

## Do I need to attend my child's appointment?

No, you do not need to attend your child's appointment. You can attend if you would like to, and you can take your child to the community dental clinic if you prefer.

The Link Health and Community Smile Squad team look forward to seeing you soon.

## Butterfly Update

I am thrilled to share a special moment with you - the release of 2C's class butterflies! Over the past few weeks, the students have been on a fascinating journey, observing the amazing transformation from tiny caterpillars to beautiful butterflies. Students eagerly released the butterflies into the school garden. What an incredible learning experience!

## Curriculum Day

On the curriculum day, teachers worked on tasks that will enable our school to achieve our Annual Implementation Plan goals. All schools must prepare an AIP each year which outlines how the school will implement the goals and key improvement strategies (KIS) that will be their focus for improvement in the coming year.

## Stay Well This Winter

Symptoms of influenza (flu) can hit very quickly and may last several weeks. Vaccination is the best way to protect yourself

and others from getting the flu.

Parents, staff, carers and students are encouraged to practice prevention measures, including:

- washing and sanitising hands regularly
- avoiding touching eyes, nose and mouth with unwashed hands
- covering nose and mouth when coughing or sneezing
- staying home if unwell and consulting a general practitioner (GP) or Nurse-on-call as required
