

## EXTRA – CURRICULAR PROGRAMS 2025

We are pleased to share with our community the range of extra-curricular programs we continue to make available. We aim for all our students to have access to and appreciate the positive effects of participating in extra-curricular activities and so we remain dedicated to the provision of learning experiences that are of an exceptionally high quality. As a result, we proudly offer the following extra-curricular programs.

### External Providers (booking are made directly with the Contact):
